CHORAL CAMP

Talented Year 4 student, Mahayli Makeham, attended an overnight choral camp at Borambola last week from Sunday to Friday.

Mahayli participated in the intensive singing workshops with over 40 primary and secondary students from across the Riverina and then performed with the choir at Waaga schools. Mahayli reported that she very much enjoyed the camp, both musically and socially.

"It was just a great opportunity to sing and make lots of friends from different backgrounds of singing."

RUGBY UNION TRIALS

Congratulations to James Smart for being selected, from over 80 students, in the 'Possibles and Probables' at the recent Riverina Rugby Union trials recently held in Wagga.

HIGHLANDS CROSS COUNTRY

Kasy Willshire, Eric Eyres, Jayden Eyres and Edward Smart represented our school at the recent Highlands Cross Country event at Tumbarumba. All four students ran with a great attitude of giving of their best.

Special congratulations to Eric and Ed who each finished in first place in their respective age divisions and who will now represent our school and the Highlands District at next week's Riverina event to be held in Gundagai.

We extend best wishes to Ed and Eric for this next level of representation.

Congratulations Kasy, Jayden, Eric and Edward!

STUDENT LEADERSHIP CONFERENCE

Our Year 6 students, Darnah Makeham, Dillon Donges and Daniel Ray, recently participated in a student leadership day at Charles Sturt University. It was a practical and interactive student leadership conference, called GRIP (Generosity, Responsibility, Integrity, People).

Dan, Darnah and Dillon conducted themselves very well on the day, interacted in the offered activities with excellent engagement and as follow-up, enthusiastically suggested areas for further leadership development.

The content from the day looked at how to improve self, contribute to the peer group, the school and the community. Already this year, Dan, Dillon, and Darnah have demonstrated these qualities and continue to contribute to the school community.

DAY WITH A SCIENTIST

Eight primary students recently participated in a 'Day with a Scientist' at Ashmont Public School. I am grateful for Ashmont Public School staff and Dr Peter Eastwell for inviting our students and conducting this wonderful event.
