Year 6 leaders, Darnah Makeham, Dillon Donges and Daniel Ray presented awards to:

Cody Wheeler: Listening well to our stories
Ebony Derrick: Improved bus behaviour
Eric Eyres: Improved running
Mahayli Makeham: Contributing in the Castles Dungeon game

THANKYOU SAM

It was a pleasure to have Sam Ray share his knowledge of Papua New Guinea with our students yesterday. Sam lived and worked in this neighbouring country for two years. With an easy style, Sam communicated wonderful information about the people, culture, climate, language, food, transport, living and working conditions and other fascinating points of interest about Papua New Guinea. Students and staff were grateful to see Sam's collection of timber souvenirs with their intricate detail.

Our students were fully engaged in Sam's interesting presentation and asked excellent questions. We all learned from this wonderful session and I appreciate Sam giving of his time to share his knowledge to enhance the learning about Papua New Guinea.

OUT OF UNIFORM DAY

Thankyou to families and staff members who helped to make yesterday's farm, backyard garden and school produce, "cook up", such a success. Students participated in the preparing, tasting and clean-up of the cooking session. Spinach, spring onions, capsicum, and eggs, are some of the items used in the making of the delicious 'wraps'. Special appreciation is extended to Miss Allamby for leading the 'cook up and cleaning up' sessions!

Dressed in farm clothes, we had a great day of participation in some old-style games and activities. A gum boot throwing competition and horse-shoes as 'quoits', were some of the activities in which students were able to experience and enjoy.

Thank you to families by supporting the Year 6 students with the gold coin donation and to those who provided produce to use in the cooking sessions. The home-grown produce was much appreciated to supplement our school garden products of spinach and spring onions. Mrs Pickersgill's home-grown oranges and mandarines have proven popular throughout the week with students and staff. Thank you Mrs Pickersgill.

Congratulations Mahayli for being able to place the horseshoe over the spike with it remaining in position!

WOOLWORTHS' EARN AND LEARN PROMOTION

Thank you to all who collected stickers from *Woolworths' Earn and Learn* promotion and donated to Nangus Public School. Your support in this way is very appreciated. The promotion has now finished and students and staff will be able to choose educational items as rewards for the school and student use. When the count and benefits are finalised, we will let you know, the items of choice for the school.

SAFE, HAPPY HOLIDAYS

I extend best wishes to all of our students, families and staff members for a happy, safe holiday period and thank students and staff for their committed work during the past two terms. Thank you to parents and caregivers for your support of class and school activities. School will resume for students on Tuesday 23rd July when we will be welcoming author, Helen Castles of Gundagai, to share her new book with our students.
