HEALTHY FOOD and SNACK INITIATIVE

The initiative of having a healthy snack at the start of the school day, has been popular. Thank you to all the families who are supporting this activity. This initiative will continue.

Health Promotion Coordinator, Alex Walker, provided valuable information about healthy eating, for our students during an enjoyable session this week.

One activity was for students to analyse nutritional value and serving information provided on packages. Each student was given an example to use when analysing food labels in relation to fat, sugar, fibre and sodium (salt) levels. Families are encouraged to look at this information on the label reading card sent home with your child, which will help to promote healthy choices for good growth, health and energy levels.

BOWLS LESSON

All students participated in an excellent 'Lawn Bowls' session with Regional Bowls manager, David Inglis this week. This was the first of 6 lessons as part of the '*Sporting Schools Program*'.

In addition to the lessons, the program provides the school with a kit of excellent equipment, which our students can continue to use.

I would like to thank David for the excellent session and commend our students on their engagement, good manners and skill levels.

LIFE EDUCATION VAN VISIT

On Friday 6 March, the Life Education Van will be visiting our school to deliver Personal Development and Health programs to our students.

The content about healthy, safe living, will be appropriately delivered according to the age groups.

The school is covering the cost of \$10.00 per student to participate in this program and visit the Life Education van, so there is no charge to parents or caregivers.

Please complete and return the attached permission note for the Life Education visit.

Thank you.

DENTAL CLINIC

Please see attached note regarding free dental health checks being provided by a mobile dental clinic at Nangus Public School on Friday 13 March 2020 at 9:00am.

Please complete the attached '*Bulk Billing Patient Consent*' form if interested and return to school by next Thursday. Please note that one form per child, needs to be completed.

Please don't hesitate to contact the school if you require further information.

CULTURAL DAY AT BRUNGLE PUBLIC SCHOOL

Nangus Public School students and staff, have been invited to an Aboriginal Culture Theme Day to be held at Brungle PS on Thursday 12 March when they will rotate through a variety of activities.

Please find information and a permission note accompanying this newsletter. Our students will be travelling by bus between usual school times.

Some of our staff will be participating in a data analysis professional learning on the day.
