Term 3 Week 10

Dear Parents, Families and Friends,

Thank you Nangus students, staff and families for an amazing Term 3!

The Bidgee Bush Camp at Jugiong was a wonderful experience for all of us. Jugiong Public School's Teaching Principal, Linden Webber, her staff, students and their P and C covered every imaginable detail to ensure we all enjoyed a wonderful day on the banks of the Murrumbidgee River. What a beautiful part of the world! Our students are putting together a digital thank you card that will be sent this week.

Congratulations to all our students for completing their *Facts about France* PowerPoint which has now been entered in the Country Womens Association School Competition. A big thank you to Mrs Da Silva for helping our students complete this during Library lessons. To finish the term, that started with the Paris Olympics, this Friday's French themed wellbeing day should be lots of fun. Students are welcome to wear red, white and blue, or just come in mufti. A gold coin donation towards Emily's Year 6 fundraising would be fantastic. Mrs Da Silva is organising a special French morning tea for students to sample some *petit four* and Mr McCarthy is organising Funny French Olympics for the afternoon session.

If you would like to see Mrs Pickergill or myself before the end of the term please complete the Parent - Teacher Interview booking form attached for Wednesday afternoon. If you are not able to attend this Wednesday, please let Jodie know and make a time for an afternoon in Week 1 next term.

I would like to take this opportunity to wish Rubes well, as she is leaving us at the end of this term to attend Gundagai South Public School. Rubes has been a wonderful member of our school community. We will all miss her creativity, sense humour and caring nature. Rubes has been a fantastic student leader, confident to make positive suggestions, willing to have a go at any task and always offering to help others. Good luck Rubes! We will look forward to weekly updates from Jodie about all the amazing things you are doing and hope to see you at all the combined schools events that we attend together with Gundagai South.

Wishing all families a happy spring break and looking forward to seeing all staff and students return on Monday the 14th October, as there is no School Development Day at the beginning of Term 4.

Best wishes

Anna Streckfuss

If you know of anyone who may have a child eligible, please pass on this information.

It's not a job, it is a fulfilling journey of love and devotion given by you, but also given back to you.

To me, there is no greater enrichment in life than knowing you have made a difference in a child's life.

There are many ways to care and change lives!

While Out of Home Care is often referred to simply as foster care, there are a number of different types of care for children and young people who enter OOHC.

Respite care involves caring for a child or young person on an occasional basis. This usually occurs over weekends or school holidays and is planned in advance.

Emergency care is when children and young people need immediate care to ensure their safety, they require carers to be available at very short notice. This type of care can be required for days, weeks or up to 3 months whilst further planning is undertaken to ensure the best care option for the child or young person.
