Term 2 Week 8

Dear Parents, Families and Friends,

Winter has definitely arrived, and it's great to see some rain and puddles again! We've been picnicking inside most days, but we're still trying to get outside to play in the fresh air, especially when the sun is shining. Please don't hesitate to send an extra jacket or beanie for your child to wear when they're outside.

However, please help everyone out by ensuring their name or initials are clearly recognisable on any clothing they bring. Students are being reminded to hang their jackets when not being worn and to pack their own at the end of the day.

On Wednesday, June 4th, our students had a fantastic day at Humula, where they participated in lessons delivered by staff from the Field of Mars Environmental Education Centre. They used digital technology to explore and record information about the environment. Denny, James, Regan, and Timmy created some very interesting digital images, developing their observation and photography skills. Bree, Cody, and Gloria made a short documentary, working on their research, script writing, filming, and editing skills. They not only created great digital products but also made new friends and worked well with students they hadn't met before. Congratulations to everyone involved! We will showcase the short documentaries that Bree, Codey, and Gloria each created with a partner from Humula Public School at this term's assembly before sending them home.

Additionally, our students have been enjoying some exciting activities with Mr Rush over the last two weeks, including team building and boomerang throwing. Sadly, this Thursday and Friday will be Mr Rush's last days with us for Term 2, but we hope to see him back at Nangus in the future.

Next week, we will meet Mrs Niemkiewicz, who has recently moved to Gundagai from the Central Coast and has been working with students at Adelong Public School. We're excited to have her join us at the Small Schools Carnival, especially as she has already made some connections with students and staff at other small schools in our network.

I would also like to thank our students and staff for being so supportive of Charlie during his return to school over the past two weeks. We are looking forward to welcoming Harry back soon.

Students have been completing a range of assessments, and staff are busy preparing the end-of-semester reports, which will be sent home on the last day of term after our assembly.

Congratulations to Cody Wheeler on his recent success in the 2025 Disability Inclusion - Ten Pin Bowling Championship. Cody and his teammates placed an amazing 4th place. What an excellent achievement, well done Cody and team!!

A huge **THANK YOU** goes to Jodie Dean and all the P&C, family, and community members who helped with the Riverina Cross Country Carnival canteen, whether by volunteering on the day or baking goods to sell. This has, once again, been a fantastic fundraiser for our school, and we appreciate the opportunity to collaborate with the Gundagai South Public School P&C on this event.

Looking ahead, we have a busy few weeks planned, including a visit to Brungle Public School at the end of this week. Please see the attached calendar for other upcoming events.

Best wishes

Anna Streckfuss

Relieving Teaching Principal

CLASS AWARDS

Term 2 – Week 7

Denny Smart – for making an effort to read and answer questions independently in English lessons.

Bree Wheeler – for resilience and commitment to learning.

Student leader award – Cody Wheeler – for not getting upset when you get out in games.

P&C Meeting

The next P & C meeting is on the calendar for this **Wednesday 18th June at 4.00pm** in the library. Please contact the school if you are unable to attend and wish to propose an alternative date. New members are always welcome at any time! 😊
